

The 17th Annual Meeting of the Lebanese Society of Otolaryngology, Head & Neck Surgery

June 1 - 2, 2012

Grand Hills Hotel
Beirut - Lebanon

Dear Colleagues,

The whole Lebanese Society Executive Board is delighted to announce its 17th Annual meeting, to be held on the 1st and the 2nd of June 2012 at Grand Hills Hotel, Broumana, Lebanon.

This year, we are prepared for a Top PEDIATRIC MASTER CLASS, far from consensual lectures and classical conferences talks. The executive board worked its best in this special event, making it a solid conference dedicated to the Practical approaches of the Pediatric Chapter of our Multidisciplinary Specialty. A wide variety of topics such as: Otology, Rhinology, Pharynx and Larynx , Head and Neck will be addressed by our National and International Speakers from U.S.A, Europe and other Countries. Also featured in the program: Instructional Course, Meet the Experts and Interactive Plenary Sessions on Selected Specific Topics.

The site and the time of the Congress are ideal to enjoy your stay in Broumana.

On behalf of our Executive Board, thank you for your participation and looking forward to seeing you in Lebanon.

Chèr(e)s Collègues,

Nous avons l'honneur de vous inviter au 17ème Congrès Annuel de la Société Libanaise d'Oto-Rhino-laryngologie et de Chirurgie Cervico-Faciale qui aura lieu le 1er et le 2nd Juin 2012 au Grand Hills Hôtel, Broumana, Liban.

C'est la première fois qu'une telle manifestation ouvre le jour sur le domaine Pédiatrique de notre spécialité et donnera l'occasion de discuter des avancées scientifiques dans ce domaine. Ce PEDIATRIC MASTER CLASS sera adressé à tous les spécialistes ORL, mais aussi à nos confrères et collègues Pédiatres dont beaucoup de pathologies sont traitées en collaboration surtout dans le domaine infectieux, allergique et malformatif, à nos thérapeutes Orthophonistes dans le domaine de la surdité et des troubles de la parole.

Ce Congrès qui accueillera des spécialistes des USA, d'Europe et du Moyen Orient fera le point sur ce chapitre Pédiatrique de l'ORL. Grâce à notre richesse multiculturelle nous aurons l'opportunité de puiser dans le haut savoir pour permettre un meilleur échange bénéfique dans ce domaine scientifique.

Nous souhaitons bien vous accueillir à Broumana, la ville fleurie au cœur du Mont Liban dominant le littoral et au pied du Mont Sanine qui est le lieu de rencontres touristiques, gastronomiques et culturelles.
